Mr. Clergyman!

WHAT are you doing to increase the size of your congregation?
Are you making your services attractive with appropriate music?

Among all the efforts of man to exalt true worship none has been more signally helpful than GOOD MUSIC.

Good congregational singing and a good organ are synonymous, for so closely are they related indeed, that the first is impossible without the second.

In this connection we bring to your attention ESTEY ORGANS.

Estey Reed Organs from \$50 up.

Nearly 400,000 Estey Reed Organs made and sold in 63 years! A wonderful record!

Particular attention is invited to the

Estey Pipe Organ

The ESTEY ORGAN COMPANY manufactures PIPE ORGANS of the highest order which have taken the same rank in their class as the famed ESTEY REED ORGANS.

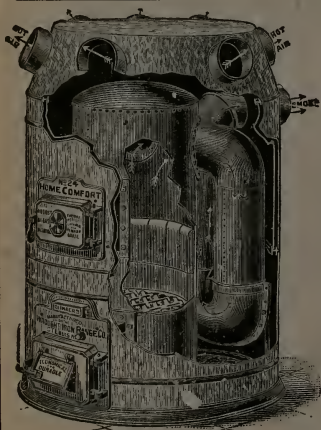

Correspondence is invited from church committees or representatives of any organizations contemplating purchase.

Catalog promptly mailed upon application.

Always Prepared

with an Insurance Policy Against Fire, Lightning and Tornado.

THAT IS THE SAFE COURSE.

It is easier to pay premiums (besides being more business-like), than to take up a collection or go begging to make up losses. And it is easier to pay premiums under the

Methodist Mutual Plan of Insurance

THAN ANY OTHER WAY.

THE NATIONAL MUTUAL INSURANCE CO.—The Methodist Mutual—is now in its tenth year of successful operation. It furnishes safe insurance under a co-operative plan, along approved underwriting lines. Easy terms of payment and profits divided among policyholders.

Its growth has been phenomenal, and it now protects to the extent of millions of dollars Methodist property not insured before it came into existence (because of the lack of the advantages offered by it), as well as millions of dollars of property that was insured elsewhere. We think churches not insured with it will desire to take part to reap the advantages that will accrue to them, as well as to support a plan of insurance that means so much to the less favored churches—a plan that puts insurance within the reach of all—a plan of protecting Methodist Church and Parsonage property, as ordered by *The General Conference of 1896*.

PASTORAL ADDRESS.

Dear brethren, we come to you with our annual greeting, rejoicing in the bounty and love of our Heavenly Father. The shadows may have fallen, but light and joy has been the rule. We are the watchmen upon Zion's walls; a great and sacred trust is committed to our keeping; our commission is from the highest possible authority; our credentials, the Divine Presence. Let us then adopt the language of the prophet, Habakkuk:

"I will stand upon my watch, and set me upon the tower, and will watch to see that he will say unto me, and what I shall answer when I am reproved."

Then we may guard against the invasion of an enemy in to the fold to scatter the flock, and keep our practices and amusements calculated to destroy the religious and spiritual life of our young people, let us stand by paragraph 260, as it will appear in the new Discipline.

Our commission and divisions of work are set forth in the following quotation:

"And he gave some apostles, and some prophets, and some evangelist, and some pastors and teachers, for the perfecting of the saints, for the work of the ministry and for the edifying of the body of Christ."

"Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ."

"That the Gospel be not blamed."

We are its representatives of Christ, and the world expects to see in us a living exemplification of the doctrines we teach, and the profession we make. Put on, therefore, as the elect of God, holy and beloved, bowels of mercies, kindness, humbleness of mind, meekness and long-suffering.

We should be able to say to our congregations, as Paul wrote the church at Thessalonica, "For our Gospel came not unto you in word only, but also in power, and in the Holy Ghost, and in much assurance, as ye know what manner of man we were among you, for your sake. If thou put the brethren in remembrance of these things, thou shalt be a good minister of Jesus Christ, nourished in

the words of faith, and of good doctrine, whereunto thou hast attained."

Paul continues his address to Timothy: "I charge thee before God, and the Lord Jesus Christ, and the elect angels, that thou observe these things, without preferring one before another, doing nothing by partiality."

"Lay hands suddenly on no man, neither be partakers of other men's sins, keep thyself pure."

"Preach the word, be instant in season, out of season, reprove, rebuke, exhort with all long-suffering and doctrine, in all things showing thyself a pattern of good works.

Take heed therefore unto yourselves, and to all the flock over which the Holy Ghost hath made you overseers, to feed the Church of God, which he hath purchased with his own blood.

Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are lovely, whatsoever things are pure, whatsoever things are of good report, if there be any virtue, and if there be any praise, think on these things.

"Therefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, for as much as your labor is not in vain, in the Lord."

T. DeWITT PEAKE,

SABBATH OBSERVANCE.

If we are to successfully teach the Gospel of the Kingdom to dying men and women; if we are to train our children and young people into exalted Christian citizenship, and into active and enthusiastic workers for the Master, we must have a fixed time to teach and train. To this end the holy Sabbath day was given to man. Therefore, it is the sense of this body:

1. That we, as pastors of the churches we represent, would urge our people to honor the day by faithfully keeping it in holy service, and in doing only works of love and mercy.

2. That we should both publicly and privately protest against the doing of any kind of unnecessary business on this holy day, as the running of excursion trains, or the patronizing of them, the buying or selling of goods, the visiting of the postoffice or any other place of business; and we would further protest against the making of this a day of amusement by attending games, plays, or shows of any kind, even though they be called innocent.

TEMPERANCE.

We rejoice with all who are opposed to this unparalleled evil in civic reform now sweeping through our land, which brings abundant hope of the speedy extermination of the liquor traffic.

We rejoice with all who are opposed to this unparalled evil in the victories that have been won in our State, resulting in the closing of at least 1,800 legalized saloons. We are in full accord with

the action of our General Conference on the temperance question.

We recognize the Anti-Saloon League as an effective instrument of the United Church of God for the overthrow of beverage traffic in strong drink.

We favor and will support with our influence and votes only such men, regardless of party, for the State Legislature, as are opposed to the liquor traffic and will maintain the present local option law and all other laws restricting the saloon trade, and will aid in securing additional temperance legislation.

We urge upon all our Sunday Schools and leagues the observance of the Fourth of July in the interest of temperance and true patriotism. We express our hearty thanks to Rev. J. W. Van Cleave of Champaign, Ill., for his splendid address at the temperance anniversary. We nominate Dr. John F. Harmon and Hon. T. S. Marshal as directors of the Anti-Saloon League of Illinois.

CLASS MEETINGS.

In as much as the class meeting is peculiar to the Methodist Episcopal Church, and has been a great means of grace to all those who have taken part in the same. therefore, be it

Resolved, That we, as Methodist preachers, insist and urge upon all our members the vital importance, and extreme necessity of keeping up and pushing this with all the other services of the

Church; and that we attend, whenever at all practicable, earnestly praying and humbly testifying to what God has done for our souls.

CHAS. A. SULLIVAN,
O. F. CULVER,
W. R. BRADLEY.

RESOLUTIONS.

Realizing the great need of Christian work among the children, and knowing this is best accomplished by our Deaconesses, we desire to endorse the work of the Methodist Deaconess Orphanage at Lake Bluff, and request the pastors of our Conference to interest individuals of their charges in the Orphanage and to welcome representatives of the above institution to their pulpits.

When an Orphanage is started in our Conference, the above resolution will not be in force.

Whereas, this Conference finds itself under numerous obligations for favors shown. Therefore, be it

Resolved, first, that we hereby extend to Bishop F. M. Bristol an expression of our sincere gratitude for the efficient and brotherly manner in which he has presided over our Conference, and for his magnificent lecture so kindly given for the benefit of our Conference Claimants' Fund.

2. That it is the sense of this Conference that it has been ably and cheerfully served by its Secretary, Statistical Secretary, Postmaster, Treasurer and their assistants, and this opportunity is taken for making expression of its thanks for these services.

3. That we very greatly appreciate the excellent entertainment which we have enjoyed in the church and homes of the people of McLeansboro, and that we hereby express our thanks to the pastor, the Entertainment Committee and the people for opening their church and homes to us.

4. That we thank the Ladies' Aid Society for serving such excellent meals at so reasonable a price.

C. D. SHUMARD, Chairman.
V. W. THRALL, Secretary.

FREEDMEN'S AID.

We, your Committee on Freedmen's Aid and Southern Education Society, submit the following and call your attention to the following items of interest:

1. The twenty-four schools and colleges under the control of the Freedmen's Aid Society constitute the only means of Christian education for the training of ministers, teachers, doctors and other leaders for our 350,000 colored members and their families, and for our share of the ten million black people in the United States.

2. Our schools have trained and sent forth more than 12,000 teachers, 3,000 ministers, besides lawyers, doctors, dentists and other members of professions to work for and lead their own race.

3. Our industrial work is a part of the requirements in most of the schools. Here are taught carpentry, masonry, printing, shoe-making, painting, farming, sewing, housekeeping, and all other mechanical arts and industries, so that young men and women may go out prepared to do their share of the world's work and become useful and worthy citizens.

4. The colored people are realizing that through education, industrial or otherwise, lies the road to the respect and confidence of all men. As evidence of this, the members of our own Church have given during the past year for the support of their own school \$27,676.10.

5. The religious life and work of the schools constitute a very prominent part of the means of the moral training. Without the annual revival, with its direct appeals to the conscience for absolute surrender to the control of Jesus Christ as Savior and Lord, no school year is deemed complete.

6. The Sunday nearest Lincoln's birthday has been selected as a most suitable time to present the cause of the colored race to our people.

7. The Board asks from the whole Church \$250,000, or one-fifth of the apportionment for Home Missions and Church Extension. The apportionment to our Conference is \$2,000.

Respectfully submitted,

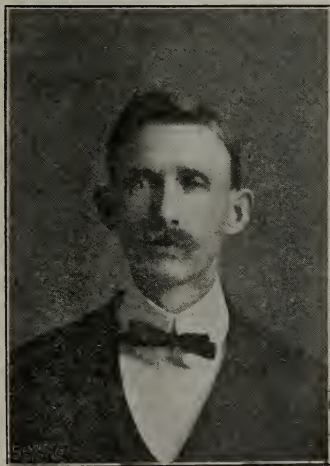

M. B. BAKER, Chairman.

McLeansboro, Ill., Sept. 19, 1908.

Oblong. Others present were Rev. O. F. Culver, of Sumner; Rev. Harry smoot, of Oblong circuit; Rev. I. N. Johnson, of Allendale; Rev. A. Vandaveer, of Calhoun; and Robert Morris, of Olney. A letter of sympathy to the family was read from Prof. D. W. DeLay, of Mattoon, Ill., a life long friend of the deceased. The interment took place at the South cemetery.

REV. B. F. UTLEY.

Benjamin F. Utley was born in Johnson County, Ill., August 12, 1872. He professed religion at a tent-meeting held near his father's home at the age of eighteen years. He was granted local preacher's license by the Mount Carmel District Conference and

REV. B. F. UTLEY

recommended for admission into the traveling connection in the Southern Illinois Conference in the summer of 1897, was admitted into the Southern Illinois Conference at its session at Mount Vernon, Ill., in September of the same year. He was married to Miss

Sarah Bean, September 28, 1897. Brother Utley served the following charges: Bloomfield, two years; Thebes, one year; Olive Branch, four years; Carterville, two years; Mound City, two years. He was a good preacher, a faithful pastor and an inspiring Christian minister.

Successful in revival work, no doubt by his zeal he overtaxed his physical strength in evangelistic labors. In his last charge he found no time for rest, and when advised to spend a few weeks out, in order to regain his strength, he felt that, as there was no one to fill the place, duty demanded that he remain at his post. On June 12 he suffered a slight hemorrhage of the lungs and on the following day he had a severe hemorrhage; these continued at intervals for two weeks; after the hemorrhages ceased, he gradually grew weaker, until July 8 his spirit was liberated from the body and entered into eternal rest.

Deceased leaves a wife and four girls, the oldest under ten years of age, the bereft family who mourn the loss of husband and father. Besides his family, there remain of his brothers and sisters, W. C. Utley, Mrs. George Mowery, Miss Anna Utley, of Vienna, Ill., Mrs. T. M. Utley, of Glenwood Springs, Colo., and P. D. Utley, of Belknap, Ill.

The funeral services were held in the church at Mound City, Ill., also at Belknap, and his body was laid to rest in the cemetery at Belknap.

The ministers that were present and assisted in the services at Mound City were J. W. McNeill, W. T. Morris, C. W. Campbell, G. E. McCammon, J. H. Davis. At Belknap the District Superintendent, J. W. McNeill, conducted the services, assisted by the pastor, J. A. Landis.

MRS. HESTER ALLYN.

Mrs. Hester Allyn died at the residence of her daughter, Mrs. M. E. Derry, in Springfield, Ill., January 2, 1908. Mrs. Allyn was the relict of Rev. Norman Allyn, of blessed memory, a distinguished and honored minister of the Methodist-Episcopal Church in Illinois in early days. Mrs. Allyn was the daughter of John and Elizabeth Whitesides Moore, being born in what was known in those days as "the old brick house," near Waterloo, Ill., January 26, 1818, and therefore at the time of her death lacked but a few days of being ninety years of age. Her father, being a staunch Methodist,

had set apart a large room in his house for a meeting-room, and services were held in it for many years. The neighbors came from far and near Saturday evening and remained until Monday morning, and were cared for by the Moore household. Amid such environment Mrs. Allyn was raised. At the early age of eight years she was converted and united with the Methodist-Episcopal Church, of which she had been an earnest, active member for over eighty years.

September 3, 1839, she was married to Rev. Norman Allyn, then a young Methodist preacher in the Illinois Conference, and for almost twenty-five years they traveled up and down southern Illinois, teaching and living the message of God's love. Mrs. Allyn was an efficient help-meet, and many souls have been led into the light and brought to a certain knowledge of their salvation through her fervent prayers and loving ministrations. Mr. Allyn died March 7, 1864, and for forty-three years she has looked forward to a joyful reunion, but day by day acted well her part and considered it a joy to work for the Master. She was a charter member of the Woman's Foreign Missionary Society of the First Methodist Church of Springfield; honorary life manager of the Northwestern Branch of the Woman's Foreign Missionary Society; a charter member of the Woman's Christian Temperance Union and one of the Temperance Crusaders. She was an earnest Christian woman, and until an accident, about ten years ago, was a leader in all church work. She leaves to mourn her loss two daughters, Mrs. Emma Derry, with whom she was living and who so tenderly cared for her, and Mrs. Kate S. Flood, of Oakland, Cal.; and one son, Nelson L. Allyn. She also leaves five grandchildren and four great-grandchildren. Mrs. Allyn was a woman of exceptional Christian character. She was a Methodist of the Methodists, a true mother in Israel. A firm believer in Methodist doctrine and discipline. She lived up to the standards of her church herself and insisted that others should do the same. She was greatly gifted in prayer, and sometimes when deeply moved seemed to bring heaven and earth together. The funeral services were largely attended. The Woman's Christian Temperance Union of Springfield were present. Also, the mayor and city council, in honor of her son, who is one of the alderman of the city, and in addition, many leading citizens and Christians of other denominations. The funeral exercises were conducted by her pastor, Rev. Dr. C. P. Masden, and by the writer, who prepares and sends this memoir at the request of the family, having known Mrs. Allyn for many years.

W. N. McELROY.

NANCY J. MCINTOSH.

Nancy J. McIntosh was born in Bowling Green, Ky., January 20, 1841, and died in Danville, Ill., January 20, 1908. She was converted and joined the Methodist Church in childhood and through all the years of her life, her faith in God and her love for the church was strong. In her seventeenth year she was united in marriage to the late Rev. J. W. McIntosh, of the Southern Illinois Conference, and through all the active ministry of her husband in this and the St. John's River Conference she fulfilled the trying duties of a minister's wife, always kind, sympathetic and helpful. When her husband retired from the active work they took up their residence in Grayville, Ill., where he entered into eternal rest in 1898. Their home was blessed with seven children, all of whom survive. There has gone out from this parsonage home two ministers of the gospel, Revs. S. A. and W. D. McIntosh, of the Illinois Conference, one physician, Dr. H. McIntosh, of Danville, Ill., besides one other son and three daughters, who are filling honorable places. The funeral was conducted by Rev. T. F. Shouse, assisted by Revs. T. H. Ewing, J. S. Dancy, Robert Stephens, G. N. Wilkerson and H. Adair, after which her body was conveyed to Grayville, Illinois, and on January 22, 1908, was buried by the side of her husband.

MARTHA J. HOLLIDAY.

Martha J. Holliday, widow of Charles M. Holliday, was born April 3, 1825, and departed this life December 24, 1907, aged 82 years, 8 months and 12 days. She was united in matrimony to Rev. C. M. Holliday October 25, 1855. To this union five children were born, two of whom survive her, namely, Mary H. Holdner and James B. Holliday. Also one sister, Isabel Stafford, and one brother, James T. Thomas, live to mourn her departure.

For many years Sister Holliday shared the hardships of the itinerancy with her husband, who entered the Illinois Conference in 1847, and did faithful work for over thirty years. He was a gifted and eloquent preacher, and was noted for his eminent piety and great faith. On January 30, 1881, he was called to his reward, and for twenty-six years Sister Holliday faced the battles of life alone. Her later years were full of afflictions, which she bore with great patience. She died a member of the old Shiloh Methodist Church, the first organized in Illinois, and by this church her body

is to lie until called forth by the Angel Trumpet in the Resurrection Morn.

MRS. JOSEPH EARP.

Miss Hester C. Boswell was born in London, England, June 16, 1852. Came with her parents to the United States in 1862 and settled near Shipman, Ill., where she grew to womanhood. She was converted when nineteen years of age and from that time led an active Christian life. Her education was in the public schools of Shipman. She was a great lover of music and enjoyed teaching it. On September 27, 1876, she was married to Rev. Joseph Earp, then Presiding Elder of Alton District. With him she served the following charges: Lebanon, Mt. Carmel, Brighton, Flora, Vandalia and Jerseyville. At his superannuation in 1893 the family moved to Lebanon, which was ever after their home. Her husband died March 8, 1894, leaving her with their only child, the present Mrs. Walter Fisk, of Shipman. Sister Earp possessed a deep religious experience and was an active Christian in the different departments of church work. She was resigned and ready when the call came. On May 23, 1908, she entered into eternal rest. She was buried at Shipman by her parents.

UP-TO-DATE TAILORING

AT MODERATE PRICES.

Through a quarter century steady growth and unvarying success the name of "LOSSE" has stood for the best of tailoring at the lowest possible prices for good qualities.

Our success has been attained through proficiency in satisfying the requirements of our customers by supplying them with all that can be put in a suit of clothes in an honest manner for fair value.

We make special efforts to interest ministers of the gospel, and as we feel they give a great deal more than they are recompensed for from a material stand-point, we offer a discount of 10% from our already low prices to all members of the ministry.

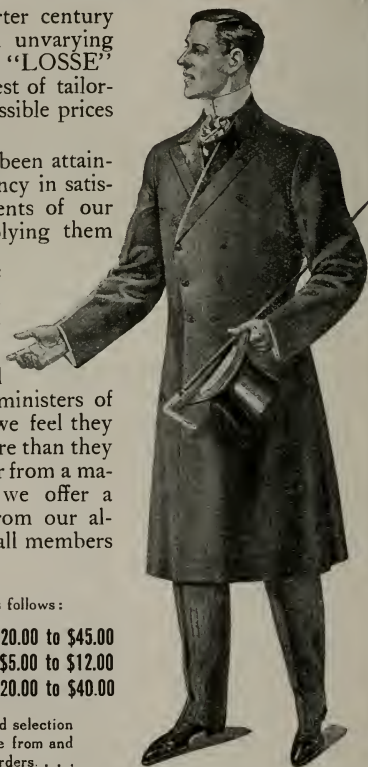

Our Prices range as follows:

Suits to Order, . . from \$20.00 to \$45.00

Trousers to Order, . from \$5.00 to \$12.00

Overcoats to Order, from \$20.00 to \$40.00

We offer an unlimited selection of patterns to choose from and solicit your valued orders. . . .

Situation The Woman's College of Baltimore is situated near the northern boundaries of the city of Baltimore, Md., in one of the best residential sections, one hundred and fifty feet above tide-water.

Buildings The buildings are seven in number—three devoted to instruction and administration, three to residence. All are new, cheerful and commodious, erected particularly for their respective purposes, and containing the conveniences devised by modern architectural science. They are heated from a battery of boilers and lighted by electricity from the new power house of the College.

Educational Equipment Ample and thoroughly furnished laboratories facilitate study of the natural sciences by modern methods. The apparatus is of recent type, carefully selected. Maps, charts, engravings, photographs and cabinets of specimens and of objects illustrating natural history and the development of the race are liberally provided. There is a good, modern working library of about ten thousand volumes, while half a million volumes are at the service of students in public and institutional libraries easily accessible.

Course of Study The course of study includes prescribed subjects and elective subjects in about equal proportions. Students who wish to follow particular lines of study are enabled to lay a solid foundation for subsequent specialization. Elective courses are offered in Greek, Latin, French, Spanish, Italian, German, English Literature, including Old and Middle English, Mathematics, Geology, Mineralogy, Physics, Chemistry, Botany, Biology, History, Economics and Sociology. Upon the completion of a course usually requiring four years, the student is graduated with the degree of Bachelor of Arts.

Physical Training and Hygiene Every candidate for the degree is required to pursue a course in physiology and hygiene. A commodious modern gymnasium provides systematic exercises according to the Ling, or Swedish, method under careful training and supervision of a physician specially prepared in mechanical therapeutics. Halls are provided for basket ball and courts for tennis and similar sports. Care is taken to prevent excess in these exercises.

Entrance Requirements These are the usual requirements of Eastern colleges and should be met by graduates of good high schools in which at least one language in addition to Latin is embraced in the course of study. Certificates of preparation which furnish full details will be considered when offered by schools previously accredited, and if found sufficient, will be accepted as substitutes for examination, otherwise examinations will be necessary. Certificates of the College Entrance Examination Board are accepted.

Numbers The College is now (1908) entering upon its twenty-first session. Its alumni number seven hundred and seventy-two. Recent graduating classes have numbered from sixty to seventy-nine. The freshman class numbers, and for the present is limited to one hundred and twenty-five. The students are from all parts of the country. All religious denominations are liberally represented.

Application for Admission Program of the College courses, regulations for the government of the residence halls, blank forms of application and information upon special subjects will be promptly furnished upon request to

M. E. CHURCH, PAXTON, ILL.

PROF. D. L. MUSSELMAN, Quincy, Ill.

Dear Sir:—During my six years residence in Quincy, I was often impressed with the greatness of the work of the Gem City Business College among the thousands of students that were in attendance there. Having through your courtesy abundant opportunity to observe the workings of the school in all its departments, I became convinced that you were doing a great work, not only for the students but for the business improvement of many sections of the country as well.

Since leaving Quincy last fall, I have met numbers of your former graduates who are now occupying responsible positions in various business capacities, and the manner in which they sing the praises of the "Gem City" has explained somewhat the wonderful success that is crowning your efforts, and which I trust will continue as long as the nation and the world shall need capable men and women thoroughly equipped to lead in its advances.

With best wishes for personal and business prosperity, I am

Yours truly,

W. T. BEADLES,

Now Financial Agent Chaddock Boys' School, Quincy, Ill.

Illinois Woman's College

NOTE.—The following is the report of the official visitors of the Illinois Woman's College for the year ending June, 1908. It is well worthy a careful reading by all who are interested in the higher education of young women.

Having made a careful study of the conditions at the Illinois Woman's College, Jacksonville, Ill., we take great pleasure in thus giving the institution our most hearty endorsement, and wish to congratulate the church at large upon its splendid achievements.

One cannot enter the buildings of the college without being impressed with the delightfully wholesome and homelike atmosphere that pervades the school and this first impression is deepened the more intimately one becomes acquainted with it.

We are convinced that friends and students get vastly more than value received for the money spent at this institution, whether it be for tuition, board or incidental expense, compared with other institutions doing the same work, and we believe the charges to be as reasonable as could consistently be expected.

We can conceive of no place or method by which the various elements that contribute to the all-round development of young women are so satisfactorily blended as in this institution. The careful attention given to spiritual and physical culture, the training given in the social graces and the acquaintance acquired with the best usages of polite society make this an ideal place for all young women.

We desire to congratulate the friends of the institution upon its advancement to full collegiate rank during the year and the offering to the young women of the Mississippi Valley courses of study and other advantages equal to and hitherto found only in the best women's colleges of the east.

THE COLLEGE OFFERS THE FOLLOWING COURSES.

1. Regular College Courses, leading to the degrees of Bachelor of Arts and Bachelor of Science.
2. A Seminary Course, shorter than the College courses, with free choice of studies.
3. College Preparatory Courses, preparing for entrance to any college in the country.
4. Special Courses in Music, Art, Expression, and Domestic Science.

"If the unusual advantages offered by the Woman's College were generally known and realized, the College would not be able to take care of half the applicants."
